Israel Studies
INDEX
Israel Studies is published by Indiana University Press for The Ben-Gurion Research Institute for the Study of Zionism and Israel Ben-Gurion University of the Negev (Sede-Boker, Israel) and The Schusterman Center for Israel Studies Brandeis University (Waltham, Massachusetts, USA)

Israel Studies presents multidisciplinary scholarship on Israeli history, politics, society, and culture. It is published three times a year. Each issue includes essays and documents on issues of broad interest reflecting diverse points of view. Temporal boundaries extend to the pre-state period, although emphasis is on the State of Israel. Due recognition is also given to events and phenomena in Diaspora communities as they affect the Israeli State. In addition to articles, issues include documents and review essays of recent scholarly research on Israel.
